

It was so well organised and we really appreciated all the details, thoughts and messages that were put in, including the pilgrim' bags!

Meeting the animals is very special for the city children. It was the first time some of my children had seen real sheep.

Thank you so much, it was such a wonderful day. The organisers, actors and staff involved were incredibly friendly and helpful and made this such an easy trip for our school. Well worth the journey through London!

It's very helpful that the Travelling Crib is early this year so we have time to incorporate what we have experienced into our RE and collective worship back at school.

I am looking forward to seeing the impact of this school trip on our learning back at school.

The children loved the pilgrim bags and were very excited when they learnt they could take them away with them. The symbols really helped them remember the nativity story and the characters they met.

The pilgrim bag for Year 1 children, collecting items at each station made it more memorable for them. We have since discussed each item and the story at each station, and the children had a great understanding of the stories that were told!

I thought it was an extremely organised workshop, the actors from the Nativity story were brilliant and realistic. The children all had a great time and the adults accompanying all said how great the trip was!

The children loved the animals! One child said "this is the best trip that I have been on"

The children loved the interactive nature of the crib. The purple bag which they gave each child really helped with the learning this week too.

This is my third year and it always such an enjoyable experience. Thank you to all your staff who go out of your way to accommodate us and make this such a special event.

It was a wonderful experience for the children and organised brilliantly

Year 3 child "it was so exciting. I loved meeting the animals. It was so fun"
