

Thank you for booking the Life of Christ.

Please note the following which will help you to make the most of your day:

- There is a free coach park and car park for individuals and minibuses.
- Please arrive by 9:40 am to allow you time to get to the first Act for the start time of 10 am prompt.
- Please bring a picnic, there is no catering available on the 20th and limited catering on the 21st and 22nd June (tea/coffee/cake/icecream).
- **There is no formal seating, please bring a folding chair or a picnic rug if needed.**
- Please dress appropriately for a full day outside, with stout shoes and a raincoat/umbrella if the forecast is wet or lots of water, sun cream and a hat for hot weather.
- Wintershall mobility buggies are available throughout the day for those who need them, from the car park, between acts and on your return to the car park. Please ask a member of staff and they will be pleased to assist you. There is no charge and there is no need to book. Personal mobility scooters are not permitted onsite because of the terrain.
- **If mobility assistance is needed please arrive before 9:30 am. If you arrive after this time, we will not be able to get you to the Act I site and you will miss the first hour of the performance. If your disability is such that you will need to be transported in a wheelchair please email admin@wintershall.org.uk.**
- Toilets are available in various locations throughout the site.
- Unfortunately, dogs are not allowed at Life of Christ except, of course, for guide or assistance dogs.
- There are ongoing road works on the A281 at Bramley which will add 15 minutes (approximately) to your journey to Wintershall if approaching from the North. Regardless of the road works, the A281 is still the best route on your approach to Wintershall. Please allow extra time for your journey.

We wish you a wonderful and very memorable day, Wintershall CIO
