Year 2 class teacher It was a really varied day, your team were great with the children and they definitely got a lot out of it!

Year 4 class teacher The care and attention you and your staff gave to each and every child was incredibly powerful and allowed them all to engage wholeheartedly.

Year 10 RE Lead Our students said they appreciated the time to enjoy the beautiful surroundings as they reflected on each station.

Year 6 Teacher I wasn't sure this would be so good the second year in a row but the staff and children took so much from it and it had an even greater impact on them, one year on.

School Chaplain A fabulous, thought provoking day.

Year 8 form tutor I loved the content, pace and thoughtfulness of the day

Year 10 teacher Powerful drama at the start of the day set the tone beautifully and the stations' reflections helped students ponder on how Jesus' journey to the cross can help up in our lives.

Secondary LSA The best school trip I've ever been on.

Senior Leader The education guides were friendly and helpful and made the day very special.

Head of Year The peace of the Easter workshop was something we would get nowhere else for our students. It really brought the story home to them.

Tutor I've learnt more in a day here than I have done in the past year at church

We met the donkeys - they are so cute and I didn't know they were in the Easter and Christmas stories.

I loved the Way of the Cross walk through the woods. It was so calm and we had time to talk about what we thought of what was happening to Jesus.

Getting to the top of the hill was my best moment of the day. It showed me how hard it would have been for Jesus to walk up.

My favourite part was the special pilgrim bag with the Easter story in....which we can take home.

The art -walk really explained the Jesus story. I'm not Christian but I understand more now.

I loved the different way the artists showed Jesus. It made me think about him more.

The afternoon Last Supper activity was so cool. We actually got to try the food!

I learnt about how the Romans Soldiers changed when they had to crucify Jesus.
